24 January 1919

Battles in the Wolsztyn section

- The Germans attack near the Odra River. A successful defence ensued by the unit from Chobienice commanded by Józef Kudliński. The unit lost two soldiers. As a consequence of their defeat, the Germans left Kargowa and Babimost.
- Near Parzynów, two insurgents fired at an attacking German company, and later withdrew back to their unit, the Ostrzeszów battalion.
