## 5/6 February 1919

### Another attempt at occupying Rawicz

The Germans reinforced their Rawicz garrison with units from Bojanowo, Leszno, Oborniki Śląskie and Żmigród. The insurgent forces were joined by the 3rd and 4th Jarocin Companies, the 2nd Koźmin Company and the 2nd Pleszew Company. Fierce fighting, however, did not bring the expected result. On 7 February, the Germans went on the offensive with the help of an armoured train. This counterattack was stopped near Miejska Górka, with the help of the 3rd Jarocin Company.
